Customer Reviews

This book is a fantastic beginner's guide on becoming a successful mortgage broker. It starts by describing the job and requirements, then goes on to explain how you can find and maintain the best kinds of clients. A definite must-have for anyone who is considering this type of work.

Mortgage banking is one of the fastest growing industries in the country. In the next few years, home purchases are expected to run into the trillions, creating more opportunity than ever for people seeking a career in this profitable industry. Real estate author, columnist, and veteran mortgage

banker. James Sullivan offers practical advice on licensing and educational requirements, as well as valuable guidance on the different career options available as a mortgage broker, mortgage banker, correspondent mortgage banker, and more.

What an awesome book on how to become a successful mortgage broker...James went into detail on everything you would need to know! Even explained the difference between a real estate agent and a mortgage broker. The book contains proven strategies on how to obtain your mortgage broker's license and how to create your own strategies to land successful clients. I really loved how James told you what makes a good mortgage broker to make to strive in the business as well as how to find your clients.

Your Guide To A Six Figure Income As A Mortgage Broker !!This book really explains the how the mortgage industry really works. It is well written in plain English, and is very easy to understand.
