Quando Era Puertorriquena (Texto Completo) [When I Was Puerto Rican]

Synopsis

From a rippled zinc shack in rural Puerto Rico to "the better life" in a decaying Brooklyn tenement, Esmeralda Santiago's Puerto Rican childhood is one of sorcery, smoldering war between the sexes, and high comedy. Hers is a portrait of a harsh but enchanted world that can never be reclaimed.

Best Sellers Rank: #16 in Books > Libros en español > Historia > Las Américas > America Central #28 in Books > Audible Audiobooks > History > Latin America #112 in Books > Biographies & Memoirs > Historical > Latin America

Customer Reviews

I read this book three years ago and was very impressed with the way the themes were developed by Esmeralda Santiago. The book is a reflection of the Puerto Rican society in the time when Esmeralda Santiago was a young girl. Therefore, it is true reflection of how many Puerto Ricans lived and struggled to ascertain life's most basic needs. I like the fact that Esmeralda did not leave a pillow unturned while describing family situations, how the father left the family to survive with very little income and lastly their move to NYC in search of better opportunities. The reader can identify with Puerto Rican culture and what it means to be Puerto Rican because of the way Esmeralda describes her life in a language that's very adequate, full of descriptions and expressions of her deepest sentiments. The beauty and simplicity of her vocabulary facilitates one's understanding of the book, the themes and situations presented. Overall, it is an exemplary memoir that paints a very real description of the ups and downs of the Puerto Rican society in the fifties. I recommend this book to all those who are fond of literature of any kind.-----Leí este libro hace tres años y quedé muy impresionada con el tema que ha sido muy bien desarrollado por Esmeralda Santiago. El libro realmente es un reflejo de la sociedad puertorriqueña en aquella época

cuando Esmeralda Santiago era niña. Por lo tanto, es un retrato real de como muchos puertorriqueños vivían y luchaban para tener las cosas más básicas de la vida.

I give 5 stars, not because I was necessarily challenged in weighty intellectual "profundities" (as one of the critics above states), but simply because the quality of story-telling (at least in the Spanish version) is unsurpassable. I was able to see right into the heart of Esmeralda's thinking. She was almost always eloquent beyond her years; at first I thought that this wasn't accurate for a girl of her age; but in retrospect, I think that the author knew this beforehand and realizes that her character is indeed representative of the many children or teenagers who are absolutely brilliant but are perceived to be not so bright because of a spoken language. I would like to find out if this was a subtlety that she wanted to communicate. With that said, my favorite aspect of Esmeralda's eloquent subtleties is her honest, authentic anger towards haughty and egotistical people. I believe that E. Santiago was intending also to defuse the machista haughtiness that existed in Puerto Rico. I wanted to reach into the story and punch her Papi in the face. What a pig! It grieves me to think that such a man really existed! Another thing, the move to New York, wonderfully contrasted with Manhattan - and the innocence of perceiving the Jews, Italians and Blacks through the eyes of a sweet girl with no prejudices - a brilliant girl indeed! How was she able to dislodge herself from all of the enticements of having prejudices so quickly formed? The best part of the entire novel - a definite tear-jerker - is the rapid dénouement punched at me (the first sentence of the epilogue). I didn't expect it; it had sort of a Great Expectations twist there at the end; if there were ever a movie based on this story, I think that that would be the brilliant finish of the story.
