This is such a lovely book. It's somewhat oversized, filled with the photos of the players' plaques that hang in the Hall of Fame in Cooperstown (NY) + text. My family went there during a summer vacation long ago, and it was great! I bought this as a future gift for my brother. It's interesting that the History Book Club offered this in my last catalog for something like \$30. Their shipping is \$3.99 for one book, and I hate that - plus their books are expensive. I wanted this book, but I decided to look around online to see if I could find a cheaper price. Good old .com was selling a brand new one for \$12.99. And free shipping! It didn't take me long to order that. When it came, it was very interesting to see that the seller was The Book of the Month Club! Their packaging and invoice looked just like the ones from the History Book Club, so I think they're affiliated.

Bought this book for a graduation gift for young friend who will graduate High School this week-end. Haven't given the gift yet, but do expect he will enjoy reading it. he is an avid sports kind of Guy.

Excellent for most baseball fans, although it was slightly spoiled for me by the reader's incorrect pronunciation of "Bill Veeck," the noted baseball executive whose name comes up many times. As his own autobiography was titled, it's "Veeck as in Wreck", not Veeck as in "week".

I gave the book to my 7 yr old nephew for his Birthday. He is an avid and awesome baseball player. He loved it and will share it with his 10 yr old brother who also loves baseball and has actually visited the Baseball Hall of Fame..

Fantastic book for baseball lovers. The only thing it is missing is the lifetime stats for each of the players in the Hall.

Excellent...every baseball buff should have. Great pictures and history.

Beautiful and historical. Baseball fans will love it.

I have found this new book, The Hall, to be a most amazing collection about the greats of baseball history.
