Customer Reviews

Their are panoramic books on beautiful places-- this is not one of them. Beautiful place, that I have seen and loved, but this is a great history of golf in Pebble Beach and the wonderful Monterey Peninsula, Great photos from the area’s history, new colorful shots, detailed records and photos of all the great championships played in the area-- Great names from Bing, Babe, Clint, are all included in the story-- but like great places in our lives, somebody sometime had the imagination and fortitude to create what we love today, read their story-- Great book. Thank you

Wow! What a rich history of this storied land! This book is a must for anyone who has been fortunate to walk this beautiful collection of courses. If you haven’t had the opportunity to visit this special place, this book may convince you to make the trek. Hotelling has compiled a book that tells
the stories of the legends who have competed on the Monterey Peninsula. These stories are enough to make any golf fan want to visit.

It is a great book that shows you in writing and pictures the wonderful history of the area. A beautiful picture book for the coffee table..
