Customer Reviews

I did not have to listen to the whole audio spiel. If this is how to attract women, then I don't want to know about any of these traits. My sister in law is certainly not like this, nor my fellow female co-workers. If this is how to attract women, then forget. I will just concentrate on what makes me happy like piano playing (pleasing myself). If women don't like this side of my personality, then they were never worth going after.

These 99 Bad Boy Traits could be combined into 9â |. YES, the book repeats itself a lot. You are better off checking out the book Reading â œThe Way of Menâ • by Jack Donovan and the first half of â œThe Satanic Bibleâ • by Anton LaVey. While Jack Donovanâ™s book isnâ™t perfect, it sure is better than this â œDude Broâ • type of thinking talked about in this book. As for The Satanic Bibleâ | Itâ™s NOT a book about Devil Worship, but it is also not for the close-minded. Nevertheless, this book is just okay. Itâ™s not terrible, but just unnecessarily wordy and expensive (\$29) for such a short ebook (246 pages). Also on the audio book, Marc Summers reads the book himself and mispronounces 'Nietzsche'

Pretty simple and short points. Good listen for short attention span or when driving. Lots to help about life and success as well.
