Harriet Tubman

Synopsis

The author of *Tituba of Salem Village* renders a compelling portrait of Harriet Tubman, one of the pioneers of the Underground Railroad--the system of safe houses and routes that led hundreds of slaves to freedom. --This text refers to an out of print or unavailable edition of this title.

Best Sellers Rank: #16 in Books > Teens > Education & Reference > History > United States > 19th Century #34 in Books > Teens > Biographies > Cultural Heritage #45 in Books > Audible Audiobooks > Children's Books > Nonfiction

Customer Reviews

This book was very good and I enjoyed reading it to its fullest. I am a descendant of Harriet Tubman and wanted to know more about her heroism and her legacy she left behind. The book was a bit old and the pages were yellow, so I could only give it a 4 star rating.

Very interesting book, really grabs you into the perspective of that hard time of slavery. I would recommend this book personally, but may have difficult words for some ages.

This is a good book to read if you're interested in non-fiction books. This book was given to me and my book members in Mrs. Shea's class. We were doing Literature Circles and Mrs. Shea gave my group this book to do it on. It's a good book to read if you're bored, and you may even learn something. So maybe you could put it on your summer reading list. I liked this book because of the adventure and the daring rescues. I liked the first time she ran away because it showed courage and the determination to be free. Many slaves in history showed this, even though they didn't know where to go. After she reached North, she went back after sometime and rescued more and more slaves. The journeys were dangerous, but Harriet went on with determination to help the slaves be

free. Now, I'll talk about what I disliked about the book. One thing I disliked about this book was that in every Chapter in the end, there's a passage that informs you on a person in the chapter. I find this very annoying and I skipped it after I read each chapter. I also disliked it when Harriet first tried to run away with her three brothers. Her brothers betrayed her and made her go back. Also, I don't like Mr. Tubman, a free Negro. He had said to Harriet that if she ran away, he would betray her. These are the parts I didn't like about the book.

Lost my book, got this for the teacher. Did the trick, THANKS
