Eat Sweat Play: How Sport Can Change Our Lives

Synopsis

What does it mean to be a sporty woman in the 21st century? From the launch of Net-A-Sporter, serving up sports clothing for fashionistas, to the introduction of #plankie as the new Instagram selfie for yoga bunnies, exercise for women has finally gone mainstream. But if sweating has never been so hot for female celebrities, then why are there still so many obstacles for girls and women when it comes to sport? Why do girls still hate school sports lessons? Why is sport consistently defined as male territory, with TV cameras replicating the male gaze as they search out the most beautiful women in the crowd? Will women ever flock to watch football, rugby and boxing in their millions? Or turn up to the park with friends for a Sunday morning kick about? How long do we have to wait to see the first multimillionaire female footballer or basketball player? *Eat Sweat Play* is an engaging and inspirational work by sports writer Anna Kessel.

Book Information

Audible Audio Edition

Listening Length: 8 hours and 40 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Pan Macmillan Publishers Ltd.

Audible.com Release Date: July 14, 2016
