Synopsis

The stunning conclusion to the This Man Trilogy is a number-one New York Times best seller! The Manor, the very place where their passionate love affair began, fills with guests on what should be the happiest day of Ava and Jesse's lives. She has accepted that she'll never tame the fierceness in Jesse - and she doesn't want to. Their love is profound, their connection powerful, but just when she thinks that she's finally gotten beneath his guarded exterior, more questions arise, leading Ava to believe that Jesse Ward may not be the man she thinks he is. He knows too well how to take her to a place beyond ecstasy...but will he also drive her to the brink of despair? It's time for this man to confess.

<http://ripeforreader.blogspot.ca/2013/06/this-man-confessed-this-man-trilogy-by.html> Only a few months have gone by, but here they are, back where it all started.....at the Manor, but this time for their wedding. Jesse Ward, owner of the Manor, and former 'player' is more than eager to permanently tie interior designer, Ava O'Shea, to his side. In fact, he does so quite literally!! In the short time they have known each other, Jess and Ava have found in each other something unbelievably unique. So special in fact, that despite significant trust issues, clashing temperaments and often opposing viewpoints, the two cannot manage to be apart for any length of time without imploding. Even the veil of security that marriage provides, however, does not protect Jesse or Ava from the world around them, both past and present, to attempt to break them apart. Jesse is still

overbearing and protective to the point of obsession, which in turn causes Ava to keep things to herself.....things that would have been better shared. Ava continues to be in the dark about large portions of Jesse's past and it becomes clearer that that history may well have something to do with his overprotective tendencies. But as long as they stay close, within reach of each other, touching, it is as if nothing outside of the two of them has any significance. Inevitably and completely out of their control, the past and the present is starting to catch up. The question now is, will Jesse and Ava be able to withstand the threat on their marriage.....and will they survive??? Absolutely Fantastic! This was book 3 in the trilogy, and part of me is sad that its over, although I'm thrilled for the resolution.....I'm a BIG fan of clarity!!!
