## Until Lilly: Until, Book 3

## Synopsis

When Cash Mayson was forced to choose between the love of his life and his unborn child, he knew exactly what he had to do, no matter how broken it left him. When Lilly Donovan was forced to accept that the guy she loved wasn't who she thought he was and became a single mother, she knew exactly what she had to do, proving just how strong she was. What happens when you find out years later that everything you thought you knew was a lie? Can two people who once loved each other overcome the obstacles that are thrown at them and fall in love all over again? Contains mature themes.

ASIN: B00RV59ZJE

Best Sellers Rank: #264 in Books > Audible Audiobooks > Fiction & Literature > Erotica #8255 in Books > Literature & Fiction > Erotica #59452 in Books > Romance

## Customer Reviews

I think I am a fan of Ms. Reynolds. I'm not sure. I really liked Until November. And then Until Trevor seemed a bit repetitive but somewhat of a plot. This one seems written by a first timer and is all over the place. This had a great premise but just failed to coherently connect the dots. There was no drama leading up to a reunion. Just a chance meeting, which by the way is so implausible based on the fact that she lives in Alaska with her parents and just happens to end up in the same place as Cash. Then it's oh well I guess it was just a misunderstanding and now we are back together. Seriously?? That's it? Game over. One chapter. Done. Except we have to throw in the crazy ex which no one on this earth would believe is plausible. Lilly loses her job based on some wackjob acting job by this person and doesn't have a chance to explain to her boss? That's stupid. And then Lilly apparently goes to jail for a week over some weird plot about some fraud? It's all so stupid and makes absolutely no sense. All of these books are really lacking in the bad guy department. They

are lame and no person in their right mind would go along or behave in any way as a response to this stuff. I'm not sure what has happened here but there seems to be a backward slide. These books are getting worse and not better.

Story had a very weak plot. In order for me to give an honest review I need to include spoilers.SPOILER ALERTI thought their reconciliation and continued relationship was unrealistic and just too easy. The little sub plots didn't make sense to me. For instance, what his family's thoughts were of her. They didn't seem like the type of family that would do this. Especially the father!!The reason for the two pregnancies was alluded to but never discussed. If someone had not read Trevor' s book, they wouldn't understand. So why even mention this but not elaborate or discuss?The fraud...well it was pretty easy to know who was behind that. But why was this mentioned and then pushed aside to be brought up later?? What was the new evidence??? Why wasn't that discussed?? Especially if she was in jail a week!!Why add David to the story?? Selling of Ashlyn, that came out of no where and didn't work with this book.Basically the story was them getting back together, having tons of s#x, family time, Jules being cray cray, her family forgiving him, marriage, HEA.I wanted more of his family, a little more drama, stronger plot and definitely less s#x.

I read the first 2 books in this series, which I really enjoyed so I was excited to read this one. I was very disappointed. It almost seems like Until Lilly was written by someone else. Thats how big a difference I found the quality to be between Until November and this book. The whole story felt rushed and I felt like the author was being kind of lazy. She didn't take the time to expand on situations. There was a lot of jumping around and there were many things that just didn't make sense to me. Cash's family being cold to Lilly because of his last relationship made no sense or Lilly spending a week in jail???? I hate to be mean, but this really was poorly written and needs major editing.

I really liked the romance of Cash and Lily. Poor Lily had to deal with so much, having the baby on her own and then finding out that Cash never knew the truth! but have to say I really didn't like that Cash was working on being a happy family and thinking about how great the wife was when he was married. ugh, so glad he woke up and divorced the evil ex.my issue is that Lily forgave him way too easy. Cash really did nothing to redeem himself ,I needed a bit more from him.

I have been waiting for this book since the end of Trevor, and it did not disappoint! Cash is such a great guy and father, it made him so sexy! I thought everyone handled the whole situation appropriately, meaning I didn't think anyone was immature or took things wrong, well except for Jules. I did think it was a little sweet and not a whole lot of angst, but it was exactly what I needed at the moment so it totally worked. The only thing I will mention, even though I love the book, it needs some serious editing. Some wrong words that you can tell were typos that didn't get auto corrected because they are still words, and during Lilly's pov it was labeled as Sophie's. I don't judge a book if there are a few mistakes unless it's so many I can't even read the book, but I mention it so hopefully the book can get re-edited. Still love it, can't wait till Nico!!!

Another great addition!!!! So we found out in the last book that Cash got a crazy psycho pregnant, before he even met Lilly, but found out about the pregnancy when he was already dating Lilly. This goes 3 years into the future... and Cash has another surprise in store for him. I loved watching Cash and Lilly rekindle.... even though this was none of what happened was Cash's fault I do wish he was in the dog house a bit more.... really enjoyed this book! Can't wait for Nico's story. Hope it comes out early just like "until Lilly" did :) \*for full review go here [...]
