Customer Reviews

Ok, well, I wasn't going to read another one of these after the first one. I learned my lesson the first time, by gosh! However, upon reading reviews for the second, I saw a lot of "I loved the first book, hated the second", and that did make me curious. As for the rating | I know what I said. I said, "Oh, I'll put at least two stars if it's at least edited decently and doesn't make my

eyes bleed with mistakes unless the content is THAT BAD. • Itâ™s that bad. As with the first one, I am reading the book while doing the review, and my reactions are the review. Why break a streak, right? 1% -- Here we go again, though it starts with Derekâ™s POV this time, so at least thatâ™s different. Also, if your voice came out as a âœhusky, breathless whisperâ • that means you didnâ™t talk since breathing is a requirement for talking. Also, Iâ™m going to interrupt here from snarky review to talk seriously about how damaging it is for men to be portrayed as always on the verge of losing control when aroused. Seriously, guys can control it, and to say otherwise is saying that men are just beasts who canâ™t control their emotions. They can. Stop it, writers. Justâ | stop. 2% -- WOW. Not only is it incredibly stupid for them to fall into instant twu luv (just add water!), but then itâ™s compounded by the ridiculousness of them NOT TALKING ABOUT IT. âœHey, stay â^cause I love you and want to bone you.â • âœI want to bone you too, thanks for telling me!â • 3% -- Sofia knows what itâ™s like to be encased in Jell-O? 4% -- The changing POVâ™s really do nothing for the book. Absolutely nothingâ | save for making the chapters super short. Also, Sofia get pushed to the brink of insanity quite a lot by absolutely nothing terrifying. 5% -- Wait, WHAT?

****Please note this review will have spoilers for A Shade of Vampire**** I absolutely loved A Shade of Vampire and had to get the remaining books in the series, but havenâ™t had a chance to read book two until now. This is a fantastic series, so very different from any other vampire one and I love the characters to pieces. Ms Forrest has a wonderful writing style and I was hooked from the get go. Following on from A Shade of Vampire, Sofia Claremont and Ben Hudson are back to reality and have to face the wrath of Benâ™s parents. Everything feels surreal to Sofia and Ben, being back in the sunlight but having dark nightmares. Can they overcome their experience in the Shade? They try to be normal and start back at school and do everything they did before the Shade. Itâ™s not that easy for Sofia though and for some reason, Ben is behaving differently towards Sofia. Back on the island, the Shade is undergoing some drastic changes, Derek has found his dark side and is missing Sofia terribly. Derek has decided that the island has become lazy and if they were to go to war, they would lose. He starts finally taking an interest in the inhabitants on the island and have his army prepare for war. Ben is having difficulty coming to terms with his physical and emotional scars. He is trying to convince Sofia that the vampires are evil creatures and must be destroyed. Sofia doesnâ™t understand Benâ™s theory and knows Derek has some good in him. Which side will they each choose? Will Sofia be able to move on from Derek? Will she be able to live a normal life? Is Ben able to overcome his pain? Sofia receives a little help from a friend to make her decision and

Ben makes a tough decision of his own.
