# The Masquerading Magician: An Accidental Alchemist Mystery

## **Synopsis**

Deciphering an ancient alchemy book is more difficult than Zoe Faust bargained for. She'd much rather be gardening and exploring her new hometown of Portland, Oregon - but time is running out for living gargoyle Dorian Robert-Houdin. If Zoe isn't able to unlock an unusual alchemy book's secrets soon, the French gargoyle will remain awake but trapped in stone forever. When Zoe gives herself a rare night out to attend a classic magic show, she realizes the stage magicians are much more than they seem. A murder at the theater leads back to a string of unsolved robberies and murders in Portland's past - and a mystery far more personal than Zoe and Dorian ever imagined.

### **Customer Reviews**

"The Masquerading Magician" by Gigi Pandian is the second book I've read in this series. I loved the first mystery (The Accidental Alchemist) so I'm thrilled to be reviewing the second installment that will be published January 8, 2016. Once again, Gigi Pandian has hit it out of the park. I just loved this continuation of the story started in "The Accidental Alchemist". If you can suspend your disbelief I can guarantee you'll love reading this cozy mystery. Zoe Faust is an alchemist. She works most successfully with plants to make healing teas, tinctures and salves, she has a real talent for making things grow and bringing out the healing properties of plants. In the first book we learn that after many, many years of traveling the world, Zoe wants to put down some roots in Portland, Oregon so she buys an old house. Her life is made much more complicated when a living gargoyle named Dorian is found hiding in the crates she's had shipped from Paris. In "The Masquerading

Magician", Zoe is trying to decipher an ancient alchemy text so she can hopefully cure Dorian from turning back into stone and trapping him forever. When Zoe takes a rare night off she attends an old fashioned magic show, the magicians remind her of people she knew in the past and she suspects there may be another alchemist in her midst. When a murder happens at the same theatre the next day, Zoe decides to find out if there may be a mystery afoot. She's hoping to find another alchemist to help her decipher the complicate and dangerous alchemy book. The temporary cures she's making for Dorian are sapping her life force from her, making her sicker every time she performs the backward alchemy to make the curative tea.
