# Strategic Management Of Technological Innovation

## Synopsis

Analyze. Formulate. Implement. Melissa Schilling's Strategic Management of Technological Innovation, 5e approaches the subject of innovation management as a strategic process. It is organized to mirror the strategic management process used in most strategy textbooks, progressing from assessing the competitive dynamics of a situation to strategy formulation, to strategy implementation.

Management & Leadership > Strategy & Competition #231 in Books > Textbooks > Business & Finance > Management

## Customer Reviews

This is the worst book EVER. The facts in the case study are mostly wrong, the terminology is out dated. Finally the price of this textbook is ridiculous for the value. Schilling needs to do better fact checking. WASTE OF MONEY.

Too expensive for a freaking stupid paperback, but the seller was soooo nice

Exactly as described.

good condition

This is a awesome book that delivered on many levels!
