The Return Of The Native

Synopsis

Why buy our paperbacks? Standard Font size of 10 for all books High Quality Paper Fulfilled by Expedited shipping 30 Days Money Back Guarantee BEWARE of Low-quality sellers Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About The Return of the Native by Thomas Hardy The Return of the Native is Thomas Hardy's sixth published novel. It first appeared in the magazine *Belgravia*, a publication known for its sensationalism, and was presented in twelve monthly installments from January to December 1878. Because of the novel's controversial themes, Hardy had some difficulty finding a publisher; reviews, however, though somewhat mixed, were generally positive. In the twentieth century, *The Return of the Native* became one of Hardy's most popular novels. The novel takes place entirely in the environs of Egdon Heath, and, with the exception of the epilogue, *Aftercourses*, covers exactly a year and a day. The narrative begins on the evening of Guy Fawkes Night as Diggory Venn is slowly crossing the heath with his van, which is being drawn by ponies. In his van is a passenger. When darkness falls, the country folk light bonfires on the surrounding hills, emphasising "not for the last time" the pagan spirit of the heath and its denizens. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

The Return of the Native by Thomas Hardy. Recommended. In Egdon Heath, Thomas Hardy creates an otherworld consisting of the elements earth, wind, fire, and water, populated by a witch condemned by a pious woman's spell, a Christian ruled by pagan beliefs, an assortment of other odd characters, and the native of the title whose return precipitates a series of tragic events. The Return of the Native is centered around Eustacia Vye, a beautiful outsider wrenched from the society she craves by orphanhood and exiled to live on Egdon Heath with her maternal grandfather. Spoiled, vain, fickle, and selfish, Eustacia is not a sympathetic heroine. Although she claims to belong to Damon Wildeve ("body and soul" in one uncensored version), she really belongs to whomever can grant her what she desires and, in her mind, deserves. While Wildeve is a step above the local rabble, Eustacia can never fully commit herself to him. Each time she considers it, she is held back by the thought that even he lacks something and that surely she can do better. "He's not great enough for me to give myself to—he does not suffice for my desire! . . . If he had been a Saul or a Bonaparte—ah! But to break my marriage vow for him—it is too poor a luxury!" In another place, like the Paris Eustacia longs for, she would have become a mistress or a courtesan—the consort of a powerful man or men. On Egdon Heath, however, there are neither powerful men nor courtesans. There is only Damon, an equally fickle young man who hotly desires that which he cannot have—sometimes Eustacia, sometimes the naïve Thomasin Yeobright. To complicate matters, Thomasin's cousin Clym returns from Paris, where he has a financially rewarding and spiritually stifling career.
