Synopsis

"As a child, I didn't like any of the mobs. One mob in specific caused so much pain and horror in my life that I vowed to get revenge against their kind until the day I died. Creepers. My goal is to remove them from the face of Minecraft forever!"

Customer Reviews

this was an okay book but does every minecraft book have to have the same events over and over again???:(

For a kid who loves Minecraft, I suppose it is an okay story. However it is filled with grammatical errors and typos and seems like it was written by a fifth grader. It is hard to believe it actually got published.
