His former boss, now partner, Siegfried, lives downstairs with Siegfried's brother Tristan. James continues the rich and rewarding day-to-day life of a small-town veterinarian, and we journey with him across the dales, meeting a whole new cast of unforgettable characters -- humans, dogs, horses, lambs, parakeets -- All of them drawn with the same infinite fascination, affection and insight that made James Herriot one of the most beloved authors of our time. ## Customer Reviews

James Herriot was a country veterinarian who lived in Yorkshire before (and after) World War II. His stories are funny, heartwarming, sad, and highly educational. And after reading this, you will either want to be a vet or be very grateful that you aren't one. The book opens (after a brief chapter taking place several months later) with James arriving in Yorkshire, to be the assistant to the eccentric but kindly Siegfried Farnon (yes, that is his name). He becomes accustomed to Siegfried, Siegfried's mischievous younger brother Tristan (yes, that is his name), and the gruff, kindly farmers who eke out a living in the Yorkshire Dales. Pampered pooches who are spoiled rotten, savage pigs who chase Tristan around the farm, a nightmarishly strict secretary who drives Siegfried up the wall, James's car-with-no-brakes, cows running on three cylinders, a sadistic vet who makes James wear a rubber bodysuit, and an elderly, immensely wealthy widow who adopts a pig. And through this,

James falls in love with the beautiful Helen Alderson and worms his way into the trust of the farmers. James Herriot (real name, James Wight) was truly a one-of-a-kind man. He let readers into his head throughout the book, where the cows kick him across the yard, farmers often treat him as an interloper or a nuisance, and his boss gives contradicting orders from one day to the next. But he never loses his drive or his love of animals. (Okay, he hates some animals, but only as individuals) He even lets the readers see him at his worst, when he's humiliated by some recalcitrant livestock, and one horrible scene where he and his date show up drunk and mud-smeared in front of the girl he adores.
