Saw Nick Cave play in Brighton , where i live , in oct .Yes , i felt his heart beat ! No really ! I had my hand on Nick Caves heart , kept it there til I really felt it beating , it was one of the most profound moments of my life . when he sang to me i felt like Mary when the angel offers her the lilly , and the lilly was Art , and the call was to fulfill myself as an artist .The book is pretty good too . I keep it in the toilet , sorry thats not v.poetic i guess , but i have a daily choice between Nick Cave and Ted Hughes , go in there for a piss and still there like twenty minutes later .just buy it !

It the lyrics to all the songs. It's a book of poetry and a history of St. Nick's growth as a writer. A must have!

What is not to love about this book. I keep on dipping into it engrossing myself in some of the best music lyrics around.

Must have for all Nick Cave listeners/followers. Great to have an updated printing. All lyrics right up to and including "PUSH THE SKY".

I knew most of the songs already but read this in conjunction with Sinner Saint: True Confessions and it was a great reference point.
