# TraVerses: Poems By Ron Shaw

## Synopsis

Poetry commands the singular ability to lay one prostrate and bare before the listener, giving safe refuge to words and thoughts of depth excavated from crevices yet explored deep within the poet. I find no other form of communication to be so utterly and beautifully invasive. The poems that follow are my second collection of published poetry. My initial traverse into the purest of all literature, poetry, *Without From Within*, has surpassed my greatest expectations. It has been well-received. I'm humbled by the praise it continues to garner from people worldwide. I'm delighted many have found favor with my poems. I see no reason to alter what has been a successful combination of poetry. Hopefully, each offering will please your senses as well as touch your emotions.

## Book Information

#834 in Books > Audible Audiobooks > Fiction & Literature > Poetry #5171 in Books > Arts & Photography > Photography & Video > Nature & Wildlife > Plants & Animals

## Customer Reviews

Format: Kindle Edition  
Master of all. Ron, apart from being a prolific writer & Show presenter has lately surprised us all with his other hidden talent, Poetry writing. I purchased and read his first Poetry book "*Without from Within*" drawn by the sheer out pour of intriguing complex lines of beautiful poetry, accompanied by well presented photography. But Ron continued to produce another gem, "*TraVerses*" , based on life and its short comings together with his other love of the feline type. He puts a lot of thought into his poems even though dealing with daily occurrences and produces another masterpiece of creativity.

Ron Shaw's 1st poetry book, *Without From Within*, became an overnight sensation in France, topping the charts for a while, above the Old Masters. Comes now a second book of Ron's verses.

Again illustrated by the lovely color photography of Robert Sosby. You'll love it. Ron writes diversely, of death, of glory, of pain, of beauty. Of a talking frog.

Quote from TraVerses: "The winners and losers count not, but how the game is played, is what matters." How truthful! "If you're an avid poetry connoisseur and eager for the gift of verse and visionary images, the volume of poetry TraVerses, penned by author and grand master of radio media Ron Shaw, is a rare find indeed. Mr. Shaw slams his newest release into the upper deck by sharing his talents along with those of photographer J. Robert Sosby of Atlanta, Georgia. This combination leads to a tranquil, thought-provoking read with Sosby's splendid photography enhancing Mr. Shaw's poetic justice, which I found both charming and dear. Mr. Shaw not only shows us the difference between the dark side and the light, his work shines, between joy and troubled times. In the poetry genre, it doesn't get any better than this. I highly recommend TraVerses, by Ron Shaw. I was enthralled. I was moved. For the reasons already mentioned, I'd give this read a strong five star rating. Read it. You won't be sorry you did.

Like an artist with his paints, Ron paints a myriad of pictures with his words. Each work is pleasing, and some more than others, but the overall collection is to be enjoyed.

Just buy it, it even sounds better read, shame the author didn't read it himself, he's got the voice
