Fifty Shades Of Black And Blue: Part 2

Synopsis

In Part 2 of this hilarious bestselling parody, Annabelle Stiletto from Jersey City, New Jersey reunites with her dream guy, the rich and handsome Vinnie Griso, the heir to the Vinnie's Auto Parts empire. After a magical evening with Vinnie at Trump Taj Mahal, where she actually meets The Donald Trump, Annabelle learns the dark secrets of Vinnie's past and the reasons for his strange obsessions. While Annabelle is overjoyed to be back together with Vinnie, she is frightened by his dark past and the mysterious stranger who seems to be stalking her. When Vinnie invites her to his thirtieth birthday party at his mansion - and sends her on a shopping spree to buy a beautiful outfit for the party - she wonders if she and Vinnie are truly destined to be together. Or will she end up abandoned and "Fifty Shades of Black and Blue." Hilarious, erotic and nice, not-so-clean fun, Fifty Shades of Black and Blue is the bestselling parody everyone is talking about.

Customer Reviews

I was not impressed with the "roughness" of this book. It's title, however, does reflect on the style that this story is written in, but after reading the real "Fifty Shades of Grey," I found this to be very tacky, in fact, I had a difficult time even staying interested in reading it.

the book was almost like fifty shade of gray a little different but not all the way. It could have more stuff like sex to it then you put in it but I will give you credit for what you did put in it. I need more. It was great read

Very disappointing after the Original - It felt like the dumpster version - I was so confused right off

the bat - It was as if someone entered the character profiles of the original book with a filter set to find the polar opposites. For absolutely no reason - there was no correlation - sequel, "Change her mind" ending? I would have been happier to find a book of nothing but reviews! At least I wouldn't feel cheated - which I did. It was so unrealistic to begin with a 12 year old would have a hard time dumbing down to read this one...(and "NO!" I am not suggesting it is appropriate reading for a 12 year old!!! The polar opposite is true on that one!)

Very funny and laughable!!! Had me rolling on the floor!! If you want to laugh it's an extra good read!!

I wasted my money. I completed both books. I waited for the funny parts...there were none. All the characters sounded very childish. If there is a third I will not be purchasing it.

Blah, blah, blah is all I could get. Very disappointed. While this is touted as a parody, it should be touted as just boring.

It was fun! I like light reading material which one enjoyed without any thinking just the story & being entertained

This book is a waste of time and money hated everything about it. It tried to make jersey shore classy. And it failed
